From: Evan Carloni, Health Department  
Re: Special Permit (Hearing #15-13) for 367 Arlington Street

.....

After review of the Special Permit for 367 Arlington Street, the Health Department will require the applicant to fill out an application for a Hazardous Materials Control Permit. 25 lbs/gallons of hazardous materials and/or waste would require a permit by the Health Department.

Please feel free to contact us with any questions.
